

**somerton[®]
acrylic**

Premium acrylic for lateral / folding arm,
fixed frame and canopy style awnings

100% blackout
of UV rays

Environmentally
Friendly

somerton[®] acrylic

When the need to balance blackout has to be managed against the desire for colour and view, somerton[®] acrylic offers a premium sun protection fabric suitable for exterior folding arms awnings, fixed frame and canopy style awnings sunblind awnings as well as outdoor cushions, furnishings and marine upholstery. somerton[®] acrylic provides the perfect balance in translucency, colour and view.

somerton[®] acrylic is a natural compliment to both the somerton[®] canvas and somerton[®] view ranges of premium exterior Sun Protection fabrics. somerton[®] acrylic provides for identical shading on the front and back to provide a visually consistent finish; same pattern or colour on both sides.
