

# somerton<sup>®</sup> canvas

Canvas for traditional sunblind & awning installations

Environmentally  
Friendly

Made  
in Australia

100% blackout  
of UV rays

Mildew  
resistant

## somerton<sup>®</sup> canvas

When nothing but total sun blackout will do, somerton<sup>®</sup> canvas offers a comprehensive range of contemporary colours and stripe pattern choices that will provide the perfect defence against the harsh elements of a sunburnt country.

### External Sun Protection

Total sun blackout Australian Made fabric for canvas awnings.

somerton<sup>®</sup> canvas provides a perfect defence against the harsh elements of the damaging sun. somerton<sup>®</sup> canvas is the ideal fabric solution for traditional external sunblinds, fixed canopies, walkways, retractable or fixed frame awnings. somerton<sup>®</sup> canvas is engineered to reduce the entry of solar heat transmission leading to better cooling. somerton<sup>®</sup> canvas provides a perfect defence against the harsh elements of the damaging sun. somerton<sup>®</sup> canvas is environmentally friendly and acts as a very effective passive energy saving device.
